These are just a few companies that advertise in The Softwood Forest Products Buyer NAWLA Special Edition and other issues of the publication targeting your markets!

We have been very pleased with the phone calls and inquiries we have received as a result of our advertising in <u>The Softwood Forest Products Buyer</u>. As a remanufacturer producing ornamental timbers and specialty products with an extensive milling facility we were amazed by the phone calls we received from our customers regarding the feature story you did accompanied by photographs.

Our company has a small sales staff and *The Softwood Buyer* provides Richardson Lumber and Manufacturing the ability to target our customers and potential customers and we definitely see the VALUE!

...our Ads are in the right place. We know the people we do business with read *The Softwood Buyer* - both suppliers and buyers. To us it makes perfect sense for our Ads to be seen in a newspaper that was created to put suppliers and buyers together and that is regularly read by industry members.
